Mayville resident claims \$15,000 Badger 5 jackpot

(Madison) —For Shawn Cera of Mayville, the year's shortest month is long on cash.

Cera has validated the lone winning ticket in the Wisconsin Lottery's February 18 \$15,000 Badger 5 daily lotto game drawing.

One set of numbers on Cera's \$5 ticket matched all five winning numbers in that drawing to claim the night's \$15,000 jackpot. His winning numbers were 03, 18, 22, 28 and 30.

Cera purchased his ticket at Kwik Trip, 205 S. Clark St. in Mayville.

For selling Cera's winning ticket Kwik Trip earns \$300 from the Lottery. Lottery retailers who sell winning tickets with prizes of \$600 or more earn the equivalent of 2% of the prize, up to a maximum commission of \$100,000.

Badger 5 is a \$1 daily lotto game with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rolling jackpot by matching their five numbers to the five winning numbers drawn each night.
