Ixonia man claims \$44,000 Badger 5 prize

(Madison)—David Loppnow of Ixonia told folks that things were going to be a little crazy at the Ixonia Red Bell on Marietta Ave., because someone had bought a \$44,000 Badger 5 winning ticket there.

He ought to know. It was him.

One set of numbers on Loppnow's \$2 quick pick Badger 5 ticket matched all five winning numbers in the Monday, April 16th drawing. Those winning numbers were 04, 05, 07, 19, 28.

Loppnow received a check for just over \$30,000 after taxes.

For selling Loppnow's winning ticket the Ixonia Red Bell earns \$880. Wisconsin Lottery retailers who sell winning tickets with prizes of \$600 or more earn a commission equivalent to 2% of the ticket's prize value, up to a maximum commission of \$100,000.

Badger 5 is a \$1 daily terminal-generated game with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rolling jackpot by matching their five numbers to the five winning numbers drawn each night.
