(Madison)—On January 12<sup>th</sup> a ticket sold in the Marathon County community of Abbottsford matched all five winning numbers in a \$69,000 Badger 5 drawing.

Three months later, that ticket is money in the bank.

Ruth Feddick of Abbottsford has claimed the \$69,000 Badger 5 prize. Her ticket was a \$4 quick pick she purchased at the Abbottsford BP. One of her four sets of numbers matched the January 12<sup>th</sup> Badger 5 winning numbers of 08, 09, 12, 17 and 27.

Badger 5 is a \$1 daily game with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rolling jackpot by matching their five numbers to the five winning numbers drawn each night.

For selling Feddick's winning Badger 5 ticket, Abbottsford BP received a commission from the Lottery of \$1,380. Lottery retailers who sell winning tickets with prizes of \$600 or more receive a commission equal to 2% of the prize, up to a maximum commission of \$100,000. They earn this winning-ticket commission regardless of whether the ticket is ever redeemed.
