Fond du Lac store with a history of selling Badger 5 jackpot tickets sells two in 10 days

(Madison) —Fond du Lac continued a long tradition of selling big winning tickets in Wisconsin Lottery games this weekend, when a local store sold its second Badger 5 jackpot ticket in less than ten days—and it's fifth over all.

Hansen's BP, 414 W. Johnson St., in Fond du Lac and City Limit Express in De Pere, sold winning tickets in the Lottery's \$73,000 Badger 5 on Saturday, August 30. Each of those winning tickets is worth \$36,500.

Hansen's also sold a \$30,000 Badger 5 winner on August 21. In 2006 the store had \$21,000 and \$10,000 winners; and it sold a \$44,000 Badger 5 jackpot winner in 2005.

Saturday night's winning Badger 5 numbers were 14, 19, 24, 25 and 26.

Badger 5 is a \$1 daily terminal-generated game with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rolling jackpot by matching their five numbers to the five winning numbers drawn each night.
