## **Badger 5 jackpot won for second straight night** *Walworth County win comes on heels of Washington County jackpot*

(Madison) —The Wisconsin Lottery's Badger 5 lotto game jackpot has been won for the second night in a row...again. In what has become a fairly common occurrence Badger 5 players have won back-to-back jackpots.

Thursday night, a ticket sold in Elkhorn at Frank's County Market, 58A Market St., matched all five winning numbers in the \$11,000 Badger 5 drawing. Thursday's winning numbers were 06, 12, 18, 25 and 26.

Wednesday night a ticket sold in Jackson at the Main Street Mart claimed the night's \$45,000 jackpot. Wednesday's winning numbers were 02, 06, 11, 12 and 29.

One ticket sold in Kewaunee County in the Wisconsin Lottery's Monday, October 13 Badger 5 drawing matched all five winning numbers to claim the night's \$12,000 jackpot.

The ticket-holders have 180 days to claim the prize by going to the Lottery's Madison or Milwaukee offices, or by mail.

Badger 5 is a \$1 daily lotto game with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rolling jackpot by matching their five numbers to the five winning numbers drawn each night.
