Kenosha woman hits the Badger 5 jackpot

(Madison)—**Leslie Salerno of Kenosha** bought a week's worth of tickets for the Wisconsin Lottery's Badger 5 nightly drawing game and made the investment pay off. Salerno won the \$42,000 Badger 5 jackpot on November 25.

Salerno matched all five winning numbers—01, 03, 11, 13 and 17—with a ticket she purchased at Mid West Enterprises, 1730 22nd Ave. in Kenosha.

For selling that winning ticket, Mid West earns an \$840 commission from the Lottery. Lottery retailers who sell winning tickets with prizes of \$600 or more earn the equivalent of 2% of the prize, up to a maximum commission of \$100,000 per ticket.

Badger 5 is a \$1 daily terminal-generated game with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rolling jackpot by matching their five numbers to the five winning numbers drawn each night.
