Run for the border pays off for Minnesota man He wins \$10,000 Badger 5 jackpot

(Madison)— Richard Lang of Maplewood, Minnesota made great use of his time here in the Badger State. Lang bought the only jackpot ticket in the Wisconsin Lottery's December 9th \$10,000 Badger 5 drawing.

Lang spent just \$1 on the quick pick ticket he purchased from Twin Cities Stores, 1421 Main St. in Houlton. That ticket matched all five winning numbers (03, 10, 13, 26 and 31) in the December 9th drawing.

For selling Lang's winning ticket, Twin Cities Stores earns a \$200 commission from the Lottery. Lottery retailers who sell winning tickets with prizes of \$600 or more earn the equivalent of 2% of the prize, up to a maximum commission of \$100,000 per ticket.

Badger 5 is a \$1 daily terminal-generated game with jackpots that start at \$10,000 and grow a minimum of \$1,000 a day until they are won. Players win the rolling jackpot by matching their five numbers to the five winning numbers drawn each night.
