## Two cash in on “Crossword”

(Madison)— **Pamela Toniazzo of Oak Creek won \$20,000 and Gary Teichmiller of Mayville won \$1,000** playing the Wisconsin Lottery’s most popular \$2 scratch game ever: “Crossword.”

Players reveal 18 letters in the “Your 18 Letters” box and then scratch only the corresponding letters on the Crossword puzzle. If they complete at least three words in the classic up or down style of a crossword puzzle they win a prize ranging from \$2 to the game’s top prize of \$20,000.

Toniazzo purchased her winning ticket at The Store Schierl Sales, 705 French St. in Peshtigo. Teichmiller bought his winning ticket at Kwik Trip, 121 N. Main in Mayville.
