## **\$5.6 million Megabucks jackpot won in Dane County**

(Madison)— One ticket sold in Dane County matched all six winning numbers in the Wisconsin Lottery's Saturday, April 25 Megabucks lotto drawing to claim the game's \$5.6 million jackpot.

**The \$5.6 million winning ticket was sold by a Lottery retailer in Windsor.** Per Lottery policy the name of the store will be released upon confirmation by Lottery security.

Saturday night's winning Megabucks numbers were 04, 06, 10, 25, 41 and 48.

The holder of the ticket has 180 days from Saturday's drawing to claim the prize. Once the jackpot ticket is validated by the Lottery the winner then has up to 60 days to decide whether to take the \$5.6 million jackpot in 25 annual installments, or the jackpot's one-time lump-sum cash payment of \$3.46 million.

Megabucks is a jackpot game played only in Wisconsin, with drawings every Wednesday and Saturday. Jackpots begin at \$1 million and grow based on sales. Players receive two plays for \$1 and win the jackpot by matching the six winning numbers drawn. The odds of winning the Megabucks jackpot are 1:7 million.
