\$9.1 million Megabucks jackpot won in Sheboygan

(Madison) —One ticket sold in Sheboygan matched all six winning numbers in the Wisconsin Lottery's \$9.1 million Megabucks jackpot drawing Saturday, November 8.

The \$9.1 million ticket was purchased at Q Mart, 2420 Calumet Dr. in Sheboygan.

Saturday's winning Megabucks numbers were 02, 06, 16, 41, 44 and 48.

The holder of the ticket has 180 days from Saturday's drawing to claim the prize. Once the jackpot ticket is validated by the Lottery the winner then has up to 60 days to decide whether to take the \$9.1 million annuity jackpot paid out in 25 installments, or the jackpot's one-time lump-sum cash payment of \$5.1 million.

Megabucks is a jackpot game played only in Wisconsin, with drawings every Wednesday and Saturday. Jackpots begin at \$1 million and grow based on sales. Players receive two plays for \$1 and win the jackpot by matching the six winning numbers drawn. The odds of winning the Megabucks jackpot are 1:7 million.

Next Megabucks drawing: Wednesday, November 12
New Megabucks jackpot: \$1.0 million
