\$400,000 Power Play ticket in Wisconsin Powerball, Megabucks jackpots roll

(Madison) —No one in any state matched all five numbers plus the Powerball to win the jackpot in the Wednesday, April 11 drawing, pushing the new jackpot for Saturday, April 14 to \$27 million (estimated annuity).

Wisconsin had two major prize winners in last night's drawing. **One player won \$400,000 by doubling his \$200,000 prize with a Power Play ticket. Piggly Wiggly, 1234 Hwy. 175 in Hubertus sold that winner.**

Wisconsin also had one \$10,000 winner Wednesday night. That ticket was purchased at **Fall Creek Auto & Truck, 208 E. Lincoln Ave. in Fall Creek.**

Last night's winning numbers were **06, 15, 38, 42 and 51**. The Powerball number was 18 and the Power Play prize multiplier number was 02.

Power Play is a feature that allows players the chance to multiply all of their Powerball prizes except the jackpot, by purchasing a \$1 Power Play ticket with each set of Powerball numbers they buy. Normally, the top Power Play multiplier is 5 but for a limited time, a 10x multiplier has been added to the game.

No one matched all six Megabucks numbers to win the jackpot in the Wednesday, April 11 drawing. Last night's winning Megabucks numbers were **03, 12, 21, 25, 33 and 47**. The new jackpot for Saturday, April 14 moves to \$8.4 million (estimated annuity).
