\$20,000 Power Play winner comes forward

(Madison) —Christopher Bue of Afton spent \$5 on Powerball and \$5 on Power Play, the game's prize multiplier feature.

He turned his ten bucks into \$20,000.

One set of numbers Bue had on his quick pick ticket matched four regular numbers and the Powerball in the Wisconsin Lottery's Wednesday, May 20th Powerball drawing to win \$10,000. But because Bue also bought the Power Play prize multiplier feature, he saw his prize multiplied by the night's multiplier number, which happened to be 2.

Just like that, \$20,000.

Bue bought his \$20,000 winning ticket in Beloit at Speedway, 1107 Liberty. For selling the ticket Speedway earns \$400. Lottery retailers who sell winning tickets with prizes of \$600 or more earn the equivalent of 2% of the prize, up to a maximum of \$100,000.

Wednesday's winning Powerball numbers **23, 30, 31, 35 and 42, with a Powerball of 06.** The Power Play prize multiplier was 02.

Next Powerball drawing: Saturday, May 23
Est. Powerball jackpot: \$192 million (est. annuity)
