## **HOW AND WHERE TO CLAIM PRIZES**

Players can claim their “Holiday Millions Raffle” prizes beginning January 2nd.

The \$1 million winner must go to the Lottery’s Madison office (2135 Rimrock Rd.). To ensure the process is as quick as possible, it is best for the winner to call the Lottery office first at (608) 261-8800, or (608) 264-6604.

The other 510 winners can either claim their prizes at the Madison office, one of the Lottery’s regional redemption centers, or by mail. With so many winners there may be long lines at some of the offices. Players should anticipate that the in-person claim process could take some time.

**To claim by mail**, players should obtain a claim form from a Lottery retailer or redemption center, or print one from the Lottery’s web site. The completed claim form along with the player’s signed original ticket (no copies) should then be sent to: Prize Payments, Wisconsin Lottery, Madison, WI 53774.

All “Holiday Millions Raffle” winning tickets are valid for 180 days from today’s drawing. They can be claimed at any time during that six-month period.
