All \$350,000 winners are in from SuperCash! hot streak *Barron ticket is last in a string of big winners*

(Madison) —Last to win, last to claim.

But Joseph Hellmann of Boyceville is now—officially—a \$350,000 SuperCash! winner.

Hellmann won his \$350,000 prize in the Wisconsin Lottery's December 3rd SuperCash! daily lotto drawing. His was the fifth \$350,000 winning ticket sold in the game in a four week span that began in mid-November.

Hellmann bought his \$3 quick pick ticket in Barron at Barron Farmer Union Coop Cenex, 1710 E. Division Ave. One set of his numbers matched the six winning numbers drawn on December 3rd, netting him the SuperCash! to prize of \$350,000.

The December 3rd winning numbers were 06, 08, 14, 16, 17 and 35.

For selling Hellmann's ticket, Barron Farmer Union Coop Cenex earns a \$7,000 commission from the Lottery. Lottery retailers who sell winning tickets with prizes of \$600 or more earn the equivalent of 2% of the prize, up to a maximum commission of \$100,000.

The SuperCash! hot streak of which Hellmann was a part began on November 10th, when a \$350,000 top prize ticket was sold in Fitchburg. Four more \$350,000 tickets were then sold in Altoona, Waupun, Shawano and then Barron.

SuperCash! is a daily lotto game played only in Wisconsin. Players try to match the six winning numbers drawn each night from a field of 39 numbers for a chance to win prizes of \$1, \$30, \$500, and the game's top prize of \$350,000. There is also a doubler feature at no additional cost. When the doubler is drawn, every prize, excluding the top prize, doubles.

The odds of winning the SuperCash! \$350,000 top prize are approximately 1:1.6 million.
