FOR IMMEDIATE RELEASE

\$2 Million *Powerball* Ticket Sold in Racine *Wisconsin had one of the two largest national prizes won Saturday*

MADISON, Wis. – The \$625 million ***Powerball*** jackpot rolled again Saturday, but the drawing produced Wisconsin's largest game win of 2019. A ticket purchased in Racine was one of the nation's two \$2 million prize winners in the March 23 draw.

One lucky ticket holder matched five-of-six total numbers (24, 25, 52, 60, 66, *Powerball* of 5) and by including the *Power Play* option, doubled their prize from \$1 million to \$2 million. Odds of matching all five numbers, not including the *Powerball*, are 1 in 11,688,054. Winners have 180 days from the draw date to claim their prize in person at the Wisconsin Lottery's Madison office.

The winning ticket was sold at **Speedway (2110 S. Green Bay Rd.) in Racine**. The retailer will receive a \$40,000 payout based on two percent of the winning prize.

Wisconsin and Florida were the two states with \$2 million wins, the largest won, on Saturday. The Badger state saw a prize winner for the fourth consecutive *Powerball* drawing, including \$50,000 wins in three-straight draws from March 13-20 on tickets sold in Oak Creek, Richfield, and Wausau.

Saturday's *Powerball* jackpot rolled for the 25th consecutive time. The estimated \$750 million jackpot for the Wednesday, March 27 drawing is the third-largest in *Powerball* history and fourth-highest all-time in U.S. lottery history.

The odds of winning the *Powerball* jackpot are 1:292.2 million.
