First *All or Nothing* Top Prize Won During Weekend *Janesville location sells historic \$100,000 ticket*

MADISON, Wis. – The Wisconsin Lottery's new *All or Nothing* game reached a historic milestone over the weekend. Saturday's drawing produced the initial \$100,000 top prize on a ticket purchased in Janesville.

Casey's General Store (2601 W. Court St.) in Janesville sold the winning ticket. One lucky player matched none of the 11 numbers (1, 3, 5, 7, 10, 11, 12, 15, 17, 19, and 22) drawn Saturday.

Launched April 7, All or Nothing is the state's first new Lotto game in five years. The unique \$2 daily game features a \$100,000 top prize for players who match all 11 numbers or none of the 11 numbers. In total, there are eight ways to win a prize. Matching 10 numbers or one number wins \$500, matching nine or two numbers wins \$40, and matching eight or three numbers wins \$4. No prizes are won for matching four, five, six, or seven numbers.

The number of \$500 winners during the first week since launch is already approaching 100. During the April 13-14 weekend alone, 28 tickets won \$500.

Drawings occur daily after 9 p.m. Tickets must be purchased before 9 p.m. to be included in that day's drawing. Additional information about All or Nothing, including a "how to play" video, can be found at **wilottery.com**.
