(i) for the purpose of indemnifying the Party Lotteries in the payment of prizes to be made by the Selling Lotteries; and

(ii) for the payment of prizes or special prizes in the game, limited to prize pool and prize reserve contributions from lotteries participating in the special prize promotion, subject to the approval of the Board's Finance Committee or that Committee's failure to object after given two weeks' notice of the planned action, which actions may be appealed to the full Board by the Product Group.

(c)(1)(b) If, after these sources are depleted, there are not sufficient funds to pay the Set Prizes, then the highest Set Prize shall become a pari-mutuel prize. If the amount of the highest Set Prize when paid on a pari-mutuel basis, drops to or below the next highest Set Prize and there are still not sufficient funds to pay the remaining Set Prizes awarded, then the next highest Set Prize shall become a pari-mutuel prize. This procedure shall continue down through all Set Prize levels, if necessary, until all Set Prize levels become pari-mutuel prize levels. In that instance, the money available from the funding sources listed in this Rule shall be divided among the winning MM Plays in proportion to their respective prize percentages.
