

FEATURES AND PROCEDURES

WISCONSIN'S MEGAPLIER

A. The theme and name of the game:

The name of this game is WISCONSIN'S MEGAPLIER. It is a game in which the player selects both a set of five different numbers from one (1) to seventy (70) and one additional number, the Megaball, from one (1) to twenty-five (25). At the player's option, numbers may be player-selected or randomly selected by computer.

The five (5) winning numbers are randomly selected by a drawing, plus one (1) additional number, the Megaball, is randomly selected by a drawing. A pari-mutuel prize is awarded for matching in any order five (5) of the five (5) numbers drawn plus the Megaball. Set prizes are awarded for matching the Megaball plus matching, in any order, four (4), three (3), two (2), one (1), or zero (0) numbers in the set of five (5) numbers drawn; and for matching, in any order, five (5), four (4), or three (3) of the numbers in the set of five (5) numbers drawn without matching the Megaball. In addition to the selection of the winning numbers, a multiplier number ranging from two (2) to five (5) shall be randomly selected by a drawing. This number will multiply the winnings, excluding the jackpot, on each play purchased for that same drawing. A WISCONSIN'S MEGAPLIER ticket shall be differentiated from a WISCONSIN'S MEGA MILLIONS ticket with a message that indicates the player has entered into the multiplier drawing.

The Wisconsin Lottery is a member of the Multi-State Lottery (MUSL) MEGA MILLIONS Product Group as described in Mega Millions Product Group Rules, hereafter called the Mega Millions Group. The Mega Millions Product Group Rules, hereafter called Group Rules, attached hereto are, by reference, incorporated into and made a part of these Features and Procedures. These Features and Procedures shall be interpreted in a manner which is consistent with the Group Rules. In the event of a conflict between these Features and Procedures and the Group Rules, these Features & Procedures shall control.

These WISCONSIN'S MEGA MILLIONS MEGAPLIER Features and Procedures do not apply to tickets for WISCONSIN'S MEGA MILLIONS or WISCONSIN'S MEGA MILLIONS JUST THE JACKPOT, each of which has its own Features and Procedures.

For the purposes of the Lottery's Retailer Performance Program, this game is considered a jackpot game.

B. The price of tickets:

1. The price of a ticket is three dollars (\$3.00), or such other price as set by the Lottery Division Administrator. This three dollar (\$3.00) play includes a two dollar (\$2.00) play on WISCONSIN'S MEGA MILLIONS which entitles the player to enter one play (one (1) set of five (5) different numbers from a field from one (1) to seventy (70), plus one (1) additional number, the Megaball, from another field from one (1) to twenty-five (25)) in each drawing for which the ticket is purchased as well as qualifying any winnings on that ticket to be eligible for the Megaplier multiplier drawing.

2. Tickets purchased for the current drawing may also be purchased for the next seven (7) drawings. In its sole discretion, the Lottery may designate that fewer than eight (8) drawings are available for purchase. Tickets may only be purchased for consecutive drawings starting with the next drawing available for purchase.

3. Tickets cannot be cancelled, and there are no refunds. It is the sole responsibility of the player to verify the accuracy of the game plays. The placing of plays is done at the player's own risk through a retailer who enters the plays.

C. The prize structure, including the number and value of prizes:

1. All prizes are funded solely out of the tickets purchased. Approximately fifty percent (50%) of each dollar played is allocated to prizes. Prizes are awarded as follows:

the Megaball		each valid game play which correctly matches, in any order, one of the five numbers drawn and the Megaball.
The Megaball ONLY	1: 37	Set* prize of \$2 multiplied by the multiplier number for each valid game play which correctly matches none of the five numbers drawn and the Megaball.

*Set prizes may be decreased according to the Group Rules under certain circumstances. A full description of the methods used to change set prizes are found in the attached Group Rules.

All prizes in this game (except those expressly excluded in the prize structure above) are multiplied by the Megaplier number as follows:

MULTIPLIER #	ODDS	DEFINITION
5	1:15	5 times the prize won
4	1:5	4 times the prize won
3	1:2.5	3 times the prize won
2	1:3	2 times the prize won

2. If the jackpot prize is not won in a drawing, the prize money allocated for the jackpot prize shall be added to the Jackpot Prize Pool for the next drawing.

3. Jackpot prizes shall be paid, at the election of the jackpot winner, with either a per winner annuity or cash option payment. A jackpot winner has sixty (60) days from the date of ticket validation to select either the annuity payment method or cash option payment method. If a jackpot winner does not select a payment method within sixty (60) days from the date of ticket validation, then the prize shall be paid as an annuity prize. An election made after the winner becomes entitled to the prize is final and cannot be revoked, withdrawn or otherwise changed.

A cash option payment of the jackpot prize is equal to the total cash held for the Jackpot Prize Pool. If the jackpot prize is a guaranteed amount, then the amount of the cash payment shall be determined by dividing the advertised jackpot prize amount by the annuity factor obtained through the formal quote process.

4. The holder of a winning ticket may win only one (1) prize per play (set of five (5) numbers plus the Megaball) in connection with the numbers drawn (including the multiplier number), and shall be entitled only to the highest prize won by matching those numbers.

D. The frequency of drawings:

There will be two (2) drawings each week, usually on Tuesdays and Fridays, and normally at 10:00 PM Central Time followed by the Megaplier drawing. Tickets for a drawing may not be sold after 8:59:59 PM on the evening of that drawing; all tickets sold after the 9:00 PM draw break on the day of a drawing will be issued for the next drawing(s).

For a period of time, at the discretion of the Lottery Division Administrator, WISCONSIN'S MEGAPLIER tickets may count towards entry in Super 2nd Chance drawings. The Wisconsin Lottery

will not be responsible for any neglect, failure, or omission on the part of the U.S. Postal Service or any other delivery or courier service used to deliver a player's Super 2nd Chance drawing mailing to the Wisconsin Lottery. The Lottery assumes no responsibility or liability for Super 2nd Chance tickets that are lost, destroyed, or otherwise disqualified from participation in a drawing when such tickets are in the control of the Lottery. All tickets sent to the Wisconsin Lottery to enter the Super 2nd Chance drawings become property of the Wisconsin Lottery and will not be returned. Only tickets sent to and received at the correct address for entry into the Super 2nd Chance drawing will be eligible for the Super 2nd Chance drawing.

E. The method of selecting winners:

Winning numbers are selected by a random drawing conducted in accordance with the Group Rules and sec. 565.27 (2) Wis. Stats.

F. The method of making payment to the winners:

1. Subject to Wisconsin Lottery and Group Rules validation procedures, an original ticket (not a copy) shall be the only proof of a game play or plays. The submission of a winning ticket, signed by one holder of that winning ticket, which shall be a single human being, to the Wisconsin Lottery or a Wisconsin Lottery retailer shall be the sole method of claiming a prize or prizes. For-profit and non-profit entities, trusts and other non-human beings are not eligible to play or claim a prize in this game. The Wisconsin Lottery is not responsible for lost or stolen tickets or tickets damaged after purchase such that validation information is not available to complete validation procedures on the ticket.

2. Tickets are void if stolen, mutilated, altered, counterfeit, unreadable, misregistered, defective, or otherwise fail validation tests. "Defective" includes but is not limited to errors in the computer software, computer hardware, code or programming of the game. The Lottery at its sole discretion reserves the right to pay any mutilated or misregistered ticket based upon the facts and circumstances of the particular claim. Such action by the Lottery is final and non-reviewable.

3. Prizes less than six hundred dollars (\$600) may be claimed and paid through a Wisconsin Lottery office or a Wisconsin Lottery retailer. Payment of any prize totaling five hundred thousand, nine hundred and ninety nine dollars (\$500,999) or less may be made by either 1) signing the back of the original winning ticket, completing a Lottery claim form and presenting it in person to any Lottery office for validation and payment by the claim deadline under section F9 of these Features and Procedures, or 2) by signing the back of the original winning ticket, completing a Lottery claim form and mailing it for validation and payment to Wisconsin Lottery Headquarters. If claiming a prize by mail, the original winning ticket and Lottery claim form must be mailed to Wisconsin Lottery Headquarters by the claim deadline under section F9 of these Features and Procedures, in a properly addressed envelope with the postage duly prepaid. Payment of any prize totaling five hundred and one thousand dollars (\$501,000) or more must be made by signing the back of the original winning ticket, completing a Lottery claim form and presenting it in person to the Wisconsin Lottery Headquarters for validation and payment by the claim deadline under section F9 of these Features and Procedures. Personal appearance may be waived at the Lottery Division Administrator's sole discretion. All prizes except the jackpot will be paid in cash or by check.

4. All tickets sent to the Wisconsin Lottery for the purpose of redemption become property of the Lottery and will not be returned.

5. Cash option jackpot prizes shall be paid by check or wire transfer. All annuitized jackpot prizes shall be paid in thirty (30) payments, with the initial payment being made by check, to be followed by twenty-nine (29) annual payments funded by an annuity. Funds for the initial payment of an annuitized prize shall be made available by the Mega Millions Group for payment by the party lottery by the fifteenth calendar day following the drawing. A state may elect to make the initial payment from its own funds after validation, with notice to the Mega Millions Group.

In the event of the death of a jackpot prize winner during the payment period, the Mega Millions Group, in its sole discretion, upon the petition by the estate of the jackpot prize winner (the "estate") to the Lottery, and subject to Wisconsin law, may accelerate the payment of all of the remaining lottery proceeds to the estate. If the Mega Millions Group makes such a determination, then securities and cash held for the deceased jackpot prize winner, which represents the present value of that portion of the future lottery payments that are to be accelerated, shall be distributed to the estate. The valuation of the securities and determination of the present value of the accelerated lottery payments shall be at the sole discretion of the Mega Millions Group.

6. An unclaimed prize is not shared among those who claimed the prize. (For example: for a particular drawing, there were two (2) winning plays for the jackpot, but only one (1) prize claim based on only one (1) of the tickets is made within one hundred eighty (180) days after the drawing date. The one (1) prize claimant is entitled to only one-half (1/2) share of the jackpot.)

7. Prizes may be paid the morning after the drawing, once certification of the prize amounts by the the Mega Millions Group is completed.

8. Until such time as a signature is placed upon a ticket in the area designated for signature, a ticket shall be owned (held) by the bearer of the ticket. When a signature is placed on the ticket in the place designated, the person whose signature appears in the area shall be the owner (holder) of the ticket and shall be entitled (subject to validation requirements) to any prize attributable thereto.

9. The holder of a winning WISCONSIN'S MEGAPLIER ticket must claim the prize, in accordance with section F3 of these Features and Procedures, within one hundred eighty (180) calendar days after the drawing date or the prize shall be forfeited. If claiming a prize by mail, the postage prepaid envelope containing the original winning ticket and Lottery claim form must be postmarked on or before the one hundred eighty (180) day deadline. The envelope containing the original winning ticket and Lottery claim form must be received by the Wisconsin Lottery Headquarters within fourteen (14) calendar days after the one hundred eighty (180) day deadline or the prize shall be forfeited.

10. Pursuant to Wisconsin's Open Records law (sec. 19.31-19.39 Wis. Stats.), the Lottery is required to disclose a winner's name, place of residence and, if acquired, likeness. If a player wins and claims a prize, the Lottery may use his or her name, likeness and place of residence without compensation for any purpose. Upon claiming a prize, a winner waives any claims against the Lottery and its representatives for any and all liability which may result from the disclosure or use of such information.

11. Prize payments are subject to the provisions of the Group Rules and sec. 565.30 Wis. Stats.
