

FEATURES AND PROCEDURES

DAILY PICK 4

A. The theme and name of the game:

The name of this game is DAILY PICK 4. It is a game in which the player selects four (4) numbers from zero (0) to nine (9). The player may select the same number more than once. At the player's option, numbers may be player-selected or randomly selected by computer.

The four (4) winning numbers are each randomly selected by a drawing. Set prizes are awarded for matching the four (4) numbers drawn in exact order (straight play) or in any order (box play), depending on the type of play selected by the player.

For the purposes of the Lottery's Retailer Performance Program, this game is considered a daily game.

B. The price of tickets:

1. The price of a ticket is either fifty cents (\$0.50) or one dollar (\$1.00) for either straight or box plays, or such other price as set by the Lottery Division Administrator, which entitles the player to enter one play (four numbers from zero (0) to nine (9)) in each drawing for which the ticket is purchased.

2. Tickets purchased for the current drawing may also be purchased for the next six (6) drawings. In its sole discretion, the Lottery may designate that fewer than seven (7) drawings are available for purchase. Tickets may only be purchased for consecutive drawings starting with the next drawing available for purchase.

3. Tickets cannot be cancelled, and there are no refunds. It is the sole responsibility of the player to verify the accuracy of the game plays. The placing of plays is done at the player's own risk through a retailer who enters the plays.

C. The prize structure, including the number and value of prizes:

1. Straight Play: Straight play prizes are awarded for matching the four (4) numbers drawn in the exact order.

2. Box play: Box play prizes are awarded for matching the four numbers drawn in any order.

- a. If all four (4) numbers played are different (e.g. 1234), there are twenty-four (24) possible combinations of those numbers. This type of box play is called a "24-way box".
- b. If two (2) of the numbers played are identical and two (2) of the numbers played are different (e.g. 1123), there are only twelve (12) possible combinations of those numbers. This type of box play is called a "12-way box".
- c. If two (2) of the numbers played are identical and the other two (2) numbers played are identical but different from the first two (2) (e.g. 1122), there are only six (6) possible combinations of those numbers. This type of box play is called a "6-way box".
- d. If three (3) of the numbers played are identical and one (1) number played is different (e.g. 1112), there are only four (4) possible combinations of those numbers. This type of box play is called a "4-way box".

3. All prizes are funded solely out of the tickets purchased. Approximately forty-eight and four-tenths percent (48.4%) of each dollar played is allocated to prizes. Prizes are awarded based on the play type and play amount selected by the player as follows:

PLAY TYPE	PLAY AMOUNT	ODDS	PRIZE
Straight	\$1.00	1:10,000	\$5,000
Straight	\$0.50	1:10,000	\$2,500

24-way Box	\$1.00	1:417	\$200
24-way Box	\$0.50	1:417	\$100

4. When the number of plays placed on a given four numbers and type of play reaches a liability designated by the Lottery Division Administrator (currently set at three million dollars (\$3,000,000)) for that type of play, the Lottery reserves the right to permit no additional plays to be placed on those four numbers and type of play.

D. The frequency of drawings:

Drawings will be held daily, after 6:15 PM Central Time. Tickets for a drawing may not be sold after 6:14:59 PM on the evening of that drawing; all tickets sold after the 6:15 PM draw break on the day of a drawing will be issued for the next drawing(s). Drawing dates and times may be changed by the Lottery Division Administrator to meet the operational needs of the Lottery.

For a period of time, at the discretion of the Lottery Division Administrator, DAILY PICK 4 tickets may count towards entry in Super 2nd Chance drawings. The Wisconsin Lottery will not be responsible for any neglect, failure, or omission on the part of the U.S. Postal Service or any other delivery or courier service used to deliver a player's Super 2nd Chance drawing mailing to the Wisconsin Lottery. The Lottery assumes no responsibility or liability for Super 2nd Chance tickets that are lost, destroyed, or otherwise disqualified from participation in a drawing when such tickets are in the control of the Lottery. All tickets sent to the Wisconsin Lottery to enter the Super 2nd Chance drawings become property of the Wisconsin Lottery and will not be returned. Only tickets sent to and received at the correct address for entry into the Super 2nd Chance drawing will be eligible for the Super 2nd Chance drawing.

E. The method of selecting winners:

Winning numbers are selected by a random drawing conducted in accordance with sec. 565.27 (2) Wis. Stats.

F. The method of making payment to winners:

1. Subject to Wisconsin Lottery validation procedures, an original ticket (not a copy) shall be the only proof of a game play or plays. The submission of a winning ticket, signed by one holder of that winning ticket, which shall be a single human being, to the Wisconsin Lottery or a Wisconsin Lottery retailer shall be the sole method of claiming a prize or prizes. For-profit and non-profit entities, trusts and other non-human beings are not eligible to claim a prize in this game. The Wisconsin Lottery is not responsible for lost or stolen tickets or tickets damaged after purchase such that validation information is not available to complete validation procedures on the ticket.
2. Tickets are void if stolen, mutilated, altered, counterfeit, unreadable, misregistered, defective, or otherwise fail validation tests. "Defective" includes but is not limited to errors in the computer software, computer hardware, code or programming of the game. The Lottery at its sole discretion reserves the right to pay any mutilated or misregistered ticket based upon the facts and circumstances of the particular claim. Such action by the Lottery is final and non-reviewable.
3. Prizes less than six hundred dollars (\$600) may be claimed and paid through a Wisconsin Lottery office or a Wisconsin Lottery retailer. Prizes of six hundred dollars (\$600) or more must be claimed and paid through a Wisconsin Lottery office. All prizes will be paid in cash or by check.
4. All tickets sent to the Wisconsin Lottery for the purpose of redemption become property of the Lottery and will not be returned.
5. Prizes may be paid after the drawing, on the evening of the drawing, provided calculation of authorized prize amounts is completed.
6. Until such time as a signature is placed upon a ticket in the area designated for signature, a ticket shall be owned by the bearer of the ticket. When a signature is placed on the ticket in the place designated, the person whose signature appears in the area shall be the owner of the ticket and shall be entitled (subject to validation requirements) to any prize attributable thereto.
7. The holder of a winning DAILY PICK 4 ticket must claim the prize within one hundred eighty (180) days after the drawing date or the prize shall be forfeited.
8. Pursuant to Wisconsin's Open Records law (sec. 19.31-19.39 Wis. Stats.), the Lottery is required to disclose a winner's name, place of residence and, if acquired, likeness. If a player wins and claims a prize, the Lottery may use his or her name, likeness and place of residence without compensation for any purpose. Upon claiming a prize, a winner waives any claims against the Lottery and its representatives for any and all liability which may result from the disclosure or use of such information.
9. Prize payments are subject to the provisions of sec. 565.30 Wis.Stats.
